SPIROGUARD[®] CSO SCREEN

STORMWATER SCREENS FOR
COMBINED SEWER OVERFLOW

FEATURES & BENEFITS

- ▶ Advanced Overflow Weir Protection.
- ▶ Robust Construction with few moving parts therefore low maintenance.
- ▶ Simple and reliable operation.
- ▶ Effective across a wide flow up to 2500 L/s.

Introducing our Cutting-Edge SPIROGUARD® CSO Screen with Overflow Weir Protection. Discover the ultimate solution in stormwater management with our state-of-the-art SPIROGUARD® CSO screen.

Engineered for peak performance, our innovative system ensures efficient Combined Sewer Overflow (CSO) control while addressing the challenges of wear and tear.

Advanced Overflow Weir Protection:

SPIROGUARD® CSO goes beyond conventional designs by incorporating advanced materials and technology to withstand the rigors of overflow conditions. Say goodbye to concerns about wear and tear, as our system is built to endure and deliver consistent results.

Robust Construction:

Crafted with durability in mind, our CSO screen boasts a robust construction that guarantees longevity and resilience. It's engineered to withstand the toughest conditions, providing a reliable solution for effective stormwater treatment.

Efficient CSO Control:

Tackle Combined Sewer Overflows with confidence. SPIROGUARD® CSO is designed for optimal performance, efficiently managing stormwater and

preventing overflows. Experience peace of mind knowing that your stormwater management is in capable hands.

Easy Maintenance:

We understand the importance of hassle-free maintenance. SPIROGUARD® CSO is designed with user-friendly features, making upkeep a breeze. Minimize downtime and keep your stormwater system operating at peak efficiency with our low-maintenance solution.

Customizable Options:

Tailor SPIROGUARD® CSO to meet the specific needs of your stormwater system. With customizable options available, you can ensure that our solution seamlessly integrates into your infrastructure, providing a tailored and effective stormwater treatment strategy.

Invest in the Future of Stormwater Management – Choose our SPIROGUARD® CSO Screens with Overflow Weir Protection. Contact us today to learn more about how our innovative solution can elevate your stormwater treatment efforts.
